

This is the year! If you have never done one of our memorization projects, this is the one you need to do. And, if you have joined us in the past, you just have to be a part of this one, too.

Who Am I? is a year long--one verse per week--memorization project that will hide Truth in our hearts about who we are in Christ. The world is constantly designing our identity with wrong information and lies from the enemy... but there is Truth to store in our souls. Every believer needs to be built up in this Truth and what a great way to start off the New Year!

Want to know who God says you are? Want to plant His identity in your mind and heart? Then join us for **Who Am I?** and allow the Holy Spirit to do a great work in you this coming year.

What is Who Am I?

A year long--1 verse per week--memorization project offered by Established Footsteps Ministry. Each week we will memorize one verse full of Truth about our identity in Christ.

How will it work?

Sign up to be a part of the project and you will receive a quarterly pacing guide as well as tips for memorizing. You will also receive a weekly *audio* devotional on each verse.

Is it different from other memorization projects that EF has offered?

From week to week we will memorize verses from all over the Bible instead of a more lengthy passage. Our weekly devotionals will be 10-minute *audio* devotionals sent to you in an mp3 file via email.

Is there any cost?

No, Established Footsteps Ministry offers this as a free service to encourage you to be in the Word!

Who can participate?

Anyone! Tell your family and friends who are local and all over the world. It is always a joy to have so many believers join in from many different places. Participate as a family or a group of friends, too... it will hold you accountable and steer your conversations toward Godly things.

What if I don't think I can memorize?

Any effort you give to being in the Word is better than no effort. Memorizing is a discipline that takes daily effort and only gets stronger the more you do it. Try it, what have you got to lose? We are here to help and encourage you. Sign up with a friend too... having an accountability partner is a great way to be successful at hiding God's Word in your heart.

When does it start?

You will receive your start up information the first week of January and the project starts the week of January 9th. Your first devotion will be delivered to your inbox on January 10th.

How do I sign up?
