

Sharon Thomas

Sharon Thomas has had a heart for Christ throughout her life and grew up as a vibrant young girl loving God and His church. Nevertheless, after graduating from college, and becoming a pastor's wife, she found life grew difficult. There were many unanswered questions and pain and grief surfaced. At 29 years old, while she struggled to make life "work", God stepped in and answered her prayer, to give her a hunger for His Word. Her life has never been the same!

Soon after, God clearly placed a call for ministry on Sharon's life. Through years of study, prayer, and experience, God was faithful in preparing her, and He birthed a speaking and teaching ministry in her called ***Established Footsteps***, which is based on Psalm 119:133, "Establish my footsteps in Your Word, let no sin have power over me."

Sharon has a passion for cheering women on to love God's Word and showing them how to establish their daily steps in it. Whatever the event, she boldly speaks from the Word of God with sensitivity, humility and bits of humor, breaking it open with fresh insight and sharing real life stories designed for transformation. Her heart is to see women embrace the Word of God as a treasure, because she knows firsthand the power and life-changes it can produce!

Devoted to Christ and the ministry He has given her, Sharon has led retreats, conferences, weekly Bible studies and special events for women. She also enjoys bringing her love for the creative arts of drama and music into her ministry. She is the author of a video based Bible Study, ***Established Footsteps*** and three other studies, ***Face to Face With His Lovingkindness***, ***Loving Life*** and ***So Long Self*** and numerous Bible Memorization Projects. Additionally she has authored numerous dramatic sketches and several worship songs. Writing fresh messages for speaking and teaching is a joy, but she also has many that God has used in retreat and conference settings with great success.

Sharon and her husband Marvin have been married 23 years and are the parents of two children, McKenzie and Sam, who are rich blessings from the Lord!

She works full-time in ***Established Footsteps*** and enjoys leading women in Truth. Wherever she speaks, there is a harvest of interest and study in God's Word. Sharon knows it is the tool He will use to set women free. She is just joining Him in the task and loving every minute of it!
