

So Much to Celebrate!

December is a month of celebration and we have much to be joyous about! More than anything we celebrate the birth of Jesus Christ, not just 2000 years ago, but also within each of our hearts. We pray that you are celebrating His presence in your own life this Christmas. Where would we be without the saving presence of Jesus!

This past year of ministry has been a time for us to be in awe of all that God has done and we are celebrating that as well. We celebrate God's goodness of provision for His ministry and allowing us to work with Him in this way. As you know our goal is to help women establish their daily steps in God's Word. Throughout this year we have seen God do that in amazing ways as we offered our gifts, talents and resources up to Him. We marvel at the testimonies received from not just women, but men and children too, who are more closely connected with God's Word after participating with us. Most recently, in November we concluded our first ever Bible Memorization Project of Romans 12 and we celebrate all the benefits that came forth from so many memorizing God's Word together. Currently we are celebrating the 150 people, (mostly families), who have come together to memorize 24 verses of scripture about Jesus that connect Christmas to Easter in a project called "Memorize With Me". And... in looking ahead we are celebrating the many opportunities for ministry in the coming year. God has given us a full calendar for the next 7 months and we are anticipating great things to happen as we point people to God's awesome Word!

And finally... we are celebrating you, your walk with Christ, your hunger for His Word and your support of all that God is doing in Established Footsteps Ministry! May you be blessed beyond measure this Christmas as you abide in Christ!
