Honestly...Women Walking in Truth, our summer Women's VBS was a big success. What a wonderful week! God was present in so many things, it is difficult to put in words. This thought came to mind: When we are preparing to minister with a certain group/church, we always ask the question, "What would need to happen for you to consider this retreat/conference a success?" So...we asked ourselves that question as we dreamed and planned and prayed and here are some of the success stories:

- **Wonderful attendance** - over 500 women of all ages from more than fifty churches attended.
- **A spirit of hunger, excitement and unity** was present each night.
- **A team of over 100** served in unity and joy to present messages of Truth and hope!
- Our **financial needs for this event were met** through God's people.
- **Walking in Truth Challenges** that were given each night were embraced.
- Women were stirred up to be in Bible study--**hundreds responded to our follow up memorization project.**
- We were able to **support two mission projects for women** in Malaysia and Romania.
- **Women's lives were transformed** as reflected in this sampling of the many comments we received.

"I feel so blessed to have attended and have done all I can to bring people all week. This VBS is the most powerful message I have ever encountered. I am a baby Christian and so excited to grow now that I know how. Keep doing what you are doing. You are changing lives."

"Wow, just wanted to let you and your team know how much tonight's VBS meant to me. God has really been trying to hammer a truth into my thick head recently and He used your message to get me to wake up and STAND UP. Thank you for sharing your devotion to Him and His truths. "
"What an amazing God who has given us His word - so powerful. Thank you, Sharon, for making it come alive."

"Thank you so much. You'll never know how much Tuesday saved me."

"It is such a treat to be fed God's Word and I just want to tell you how much I appreciate all the prayer and dedication you have given this because it touches lives - especially mine!"

EF Leads Mission to Romania

On October 6, seven women will fly to NY and on to Romania to spend 11 days ministering to women. Preparing since February, this team is energetic about all that God will do. Our work there will consist of leading a conference for women, spending two days with some young women, building relationships and ministering to them, teaching and ministering at an event for women's ministry leaders and leading in ministry workshops and activity for two days in the Gypsy Village of Urvind. God has provided in amazing ways for our work there which will include: Sharon speaking and teaching, music, workshops, prayer walking, testimonies, crafts, cooking together, providing Bibles and supplies, health and hygiene classes and more. Our prayers are lifted up to the Lord, that His presence and power would accompany us in every way; we know that we have nothing to offer apart from Him.

Our team consists of Sharon Thomas, Lisa Wenschlag, Angela Williams, Jennifer Damron, Kristal Newer, Cathy Myrick and Heather Van Cleave. We would so appreciate your prayers. If you would like to be put on the prayer team for this mission, please contact us. If you join in this way, we will provide you with several prayer updates from Romania while we are there.
