

God's Word calls us to be thankful. Having a thankful heart not only blesses God, it also brings many benefits to us. And yet, most people struggle to be thankful; we set our eyes on what we don't have, what is not right, and what disappoints, instead of the goodness God has poured out upon us. Therefore, living as thankful people requires that we nurture a thankful life... a life where thankfulness rolls in our thoughts, comes forth in our words and is displayed in our ways. So, join us for a month of nurturing. We will READ, COPY, and RESPOND to Scriptures that give us much reason to be thankful. Each day READ the given Scripture, COPY it, and then RESPOND with a written prayer of thanksgiving to God for that blessing.

O Lord nurture us by Your Word, that we might be a thankful people!

O God, to the farthest corners of the planet people will stand in awe, startled and stunned by Your signs and wonders. Sunrise brilliance and sunset beauty both take turns singing their songs of joy to You.

Your visitations of glory bless the earth; the rivers of God overflow and enrich it. You paint the wheat fields golden as You provide rich harvests.

Every field is watered with the abundance of rain, showers soaking the earth and softening its clods, causing seeds to sprout throughout the land.

You crown the earth with its yearly harvest, the fruits of Your goodness.

Psalm 65:8-11a
