

Words of Life

Back to School season brings a sense of getting back to the basics with a fresh start, routine, discipline and new things to learn and discover. Even if we are past our school going years, what a great time to bring these same dynamics into our experience with the Lord and His Word. So join us this month to explore some basic subjects in God's Word like Math, History, Science and more. As we Read and Copy these passages we will discover Truths that take us way beyond basic!
